On account of the different construction and origin of the German, in comparison with the English language, an English person contrasting the former with the latter must become more conscious of the forms and princi-ples of his own language, insamuch as we obtain a more infinite acquaintance with a subject the greater number of different views we take of it. The student thus dis-sects the English tongue with the implements of Ger-man transmiss.

Convulsions and Firs — Dr. A. Christie — Dear Sir:
I feel it a duty to state, for the benefit of the public, that
your Galvanic Remedies, as applied by the Rings and Magnetic Fluid, have entirely cured my son, now eleven years
old, of the most severe and sarming Firs, to which he has
old, of the last six years. He has often had from

others, mostly ledies, who seem peculiarly affected with this main's.

This is to certify, that I have been afflicted for saveral years past with the Sick Headache, which distressing complaint has confined me to the bed from one to two days in the week during that time. For one month past I have worn Dr. Christie's Galvanic Rings, and occasionally using the Magnetic Fluid. I am happy to say that I have not been troubled with the sick headache since.

Albany, Dec 2, 1345. ANN F. STRAIN, 67 Dewitt-st. Mrs. J. Trenor, wife of the celebrated Dentist, No. 4 Cotlege-place, N. Y. sent for the Rings and Fluid during the continuance of a severe attack of the Sick Headache, to which she has long been subject. In five minutes after applying the Fluid, the pain entirely left, and since then there has been no return of the complaint.

The only place in New-York to obtain the carettee Rings and Fluid is at In-Fluido-st Sun Building. All obtained also where are wardhess counterfeits, devoid of any hone-ficial effects.
